

Background and Information

In order to recognize customer agency creativity in applying the GSA SmartPay 2 Program to address a broader range of mission support challenges, the Center for Charge Card Management (CCCM) will confer the 2017 GSA SmartPay 2 Innovation Award on the organization that submits the most compelling new use of the program's best innovative product or service solution. Products and solutions (e.g., payment cards, prepaid cards, foreign currency cards, declining balance cards, and payment or reconciliation solution) nominated should increase an agency or organization's cost savings and/or refunds.

A GSA staff panel will evaluate and score the nominations. The panel will then recommend the winning nomination to the CCCM Director for his review and concurrence. The award will be presented at the 2017 GSA SmartPay Training Forum. .

We encourage your organization to apply for this award. We expect the competition to be keen and wish everyone the best of luck. The submission period opens May 19, 2017 and will close at 11:59 PM EST on Friday, June 23, 2017. If you have any questions about the nomination form or the 2017 GSA SmartPay 2 Innovation Award, please contact Mr. Milton Vazquez at Milton.Vazquez@gsa.gov. .
