

350
federal agencies served

1 billion
transactions

\$2 billion
in refunds earned

No wonder it's called "Smart" Pay.

With customized payment solutions that reduce costs and increase efficiency, GSA SmartPay® program makes it easier to get what you need, when you need it.

There's an easy way to pay for the goods and services Federal Agencies and Organizations need! GSA SmartPay offers agencies more than just plastic charge cards. The program features a full range of card and cardless payment solutions for products/services, contracts, grants, utilities, travel needs, fleet needs and more. GSA SmartPay payment solutions are accepted worldwide and offer a wide range of benefits for cardholders and agencies. With GSA SmartPay, powerful financial tools, insight into program spend and control over agency expenses are made readily available. GSA SmartPay offers proven, and successful payment solutions that continue to save the government billions of dollars.
